Custom Made Affordable Cabinets

Cabinets
Flooring
Accessories

We have a sophisticated cabinet manufacturing facility, and can custom build durable commercial grade cabinet systems with speed and ease. Our fabrication abilities allow us to build cabinets of any size and shape and in numerous colors and styles, not limiting us to what is available with stock cabinet offerings. We are very efficient and can accomplish a lot within an affordable price.

- Over 20 colors
- Wall mount, toe kick, or legs
- Wheel chair accessible
- Real wood cabinets
- Numerous edging options
- Any internal configuration
- Raised panel fronts
- Any height, width or depth
